

Plan your study and training

Whakamaheretia ō mahi ako me te whakangungu

If you have decided what career or job you want to do, use this worksheet to help you plan your next steps.

Use the questions on this worksheet to help you prepare for the study or training you need. If you have done the 'Decide on your career' worksheet, you will already know a lot about your chosen career or job.

My goal is to _____

Study and training options	Option 1	Option 2
What study or training do I need to do?		
Where can I study or train?		
Will I study part time or full time?		
How long will my study or training take?		
When does the programme start?		
What are the entry requirements, eg, NCEA credits?		

Study and training options	Option 1	Option 2
Do I meet the entry requirements? If not, what is my plan to achieve them?		
What is the deadline for my study or training application?		
What other information or documents does the education provider need from me, eg, identification documents?		
My questions		

Accommodation while studying or training	Option 1	Option 2
What are my accommodation options?		
What are the deadlines to organise student accommodation or a flat (if needed)?		
My questions		

Funding your study and living costs

Option 1

Option 2

How much will my study or training cost?

What is my budget for accommodation and living costs?

How do I plan to fund my study, accommodation and living costs, eg, savings, working part-time, scholarships, StudyLink loan?

Scholarships: What are the deadlines and what information do I need?

StudyLink: What information do they need?

My questions

If you plan to work while studying

Is my CV up to date?

Have I registered with Student Job Search (if needed)?

Do I have interview/work clothes (if needed)?

Do I have my IRD number?

How will I get to work?

My questions

Other commitments

How will I fit study or training in with my work, whānau, family or other commitments?

My questions

Support

Who can help me make these decisions?
